Bob asks that if possible apprentices bring corncobs from your own fields, corn silage, hay silage, 1st & 2nd cut hay, samples of seeds wheat, barley, oats, soybeans. If you have difficulty getting a sample of one of more of these items please let Beth know.

Who should come? It is recommended that active judges attend judging school regularly in order to remain current and to maintain their status. Anyone wishing to become a judge needs to attend. If you are simply interested in learning more about the process, you are also welcome.
