We recognize that it has been a difficult year for fairs and the OAAS has worked hard to help Agricultural Societies cope and survive this year.

Your membership fees go towards keeping the OAAS operating and providing programs for the Agricultural Societies – fees cover 60% of our operating revenue with the remainder from the Convention.

We have requested funding from the government similar to what was given to the Tourism Industry Association of Ontario (TIAO) to cover membership fees for this year. If the OAAS does receive funding towards membership fees, we will refund part or all of your membership fees based upon the amount of funding we receive.

**We suggest you make a copy of your invoice for your records.**
