Thank you for your continued support!

Your annual membership fees helps keep the OAAS operating which provides programs for our Agricultural Societies. Membership fees cover 60% of our operating revenue, with the remainder from the Convention.

Please note that to continue serving you as best as possible, the OAAS Board of Directors voted that membership rates be increased slightly. The OAAS has been fortunate not to increase fees since 2022. Still, with rising expenses and to continue to provide the best value to our members, this increase of approximately 10% is reflected in your membership renewal notice.

Note: The OAAS worked with OMAFA on Agricultural Careers funding to promote the Agri-food Careers initiative. In turn each Ag Society was eligible for funding of \$ 500.00 per day each day of your fair and more!

Late payment fees will be applied starting January 1st, 2025, and NO early Bird registration rates will apply unless your Agricultural Society membership is paid by the December 1st, 2024, deadline.

Thank you in advance for your continued support.
