

Greetings Ontario Ambassadors, Chaperones and Agricultural Societies,

The Ambassador Committee of the Ontario Association of Agricultural Societies (OAAS) would like to take this opportunity to invite your 2025-2026 Ambassador to the 2026 OAAS Convention, held at the Sheraton Parkway Toronto North Hotel & Suites, in Richmond Hill, Ontario, from February 19-21, 2026.

The Committee has been working diligently to assemble an informative and fun program. This program is open to Ambassadors aged 16 and older that have completed the attached registration form. Please email the registration form to the address on the form or bring it with you when you register at the OAAS Convention.

All arrangements concerning your Ambassador's travel to and from the convention, his or her accommodations and registration, meals (unless provided by the program), are the responsibility of each Agricultural Society, not of the Ontario Association of Agricultural Societies (OAAS). The OAAS will be providing lunch for the Ambassadors on Friday.

It is important for all Ambassadors to know that they are a representative of their Agricultural Society AT ALL TIMES - not just when their sash/medallion is on. This includes the social hours before, after, and in between convention events.

All Ambassadors MUST have a Chaperone who is REGISTERED with the convention. This individual may be a parent/relative or Agricultural Society representative. Agricultural Societies are expected to send an appropriate chaperone for the Ambassador. The Chaperone of the Ambassador must be under the mutual agreement of the Ambassador, and/or parent or guardian of the Ambassador, and the Agricultural Society. It is important that Chaperones understand the roles and responsibilities before agreeing to be a Chaperone. Please have the Chaperone read and complete the attached form. Chaperone forms can be emailed or brought to the Ambassador Registration Desk at Convention.

Upon arrival at the convention, each Ambassador & Chaperone will register at the Ambassador Registration Desk, located on the lower level outside the Vaughan Hall. There they will both receive their schedules, name badges and everything they need for the weekend. Chaperones are expected to be present with the Ambassadors when they register.

It is very important that the Ambassadors and the Chaperones receive this information as well as the Agricultural Society.

The committee hopes that this will be a special time and a memorable experience for each of the Ambassadors.

Sincerely,
The 2026 Ambassador Committee
