

November 28, 2025

Dear OAAS Supporters,

The OAAS Convention will be held from February 19-21, 2026, and we aim to continue offering exceptional hospitality to all delegates over the three days and nights, just as we did in 2025.

The OAAS recognizes that networking and camaraderie among attendees are key reasons people attend the convention. However, ensuring a safe event is our top priority. In addition to continuing the traditional hospitality suite, we encourage everyone to explore and socialize in larger areas throughout the convention.

Each attendee will receive two complimentary beverage tickets at the registration desk. These tickets will feature the logos of our sponsors and partners who support this popular initiative, as a **hospitality sponsor**. This offers a great opportunity for your logo to be displayed to nearly 1,000 convention delegates. The tickets can be redeemed during the evening showcases and entertainment on Thursday, Friday, and Saturday.

For the rate of \$1,000 you are invited to be a supporter of this fun feature at the 2026 Convention.

In addition, for your contribution, you will be recognized on conference partnership signage, on any social media postings and mobile app advertising opportunities, please see page 2 for additional information.

Thank you for considering this request and I look forward to working together to make the 2026 OAAS Convention a safe and successful event. Any questions please let me know. Hope to hear from you soon,

Sincerely

Kathryn Lambert

Dear Ontario Fair Friends, Districts, Agricultural Societies and Members,

The Ontario Association of Agricultural Societies (OAAS) is a non-profit organization providing leadership, guidance, education, and resources for its member agricultural societies.

The pinnacle of the year for the OAAS is the annual convention, which takes place in mid-February bringing together upwards of 1,000 delegates from across the province. Our convention provides OAAS members with education, information, and networking opportunities that are meant to improve the operations of the individual agricultural societies. The generous support from our partners allows the OAAS to continue to offer such an event at an affordable rate; with saying that, we are asking you to please consider becoming or continuing to be a supporter of the 2026 OAAS Convention, February 19-21.

See the table below for the various levels of sponsorship and the benefits and recognition that are provided to our OAAS partners. We are willing to work with you to tailor a package to your specifications.

	Platinum Sheaf (\$7,500+)	Gold Sheaf (\$5,000)	Silver Sheaf (\$2,500)	Bronze Sheaf (\$1,000)	Friends of the Fair (\$250)
Recognition at OAAS Annual General Mtg.	X
